Thanks Ken

Attached is the current chart; I've shown the name change.

There is a second change, in that B Foundation was substituted for another foundation with the same potential beneficiaries, but a different settlor. This is an internal reorganisation driven by the foundation counsel and has no influence on the letter being requested, but nonetheless I am making you aware of this for completeness. I will give you a KYC pack for your records with this change once I am authorised to release this by the foundation (hopefully this week).

Best regards

Gregg
